

**North Perth Dynamites Netball Club Inc.** is a vibrant, inclusive and community-driven club based in North Perth, Western Australia.

We welcome players from Year 2 to Year 12 across the Winter and Spring seasons, from a wide range of local primary and secondary schools.

We're a growing netball club - and the only community netball club with training grounds in the City of Vincent (junior teams) and at Matthews Netball Centre (senior school teams). Our teams compete in the Perth Netball Association at Matthews Netball Centre in Jolimont. Winter 2026, we have 17 teams on court—seven primary school and ten high school teams—engaging over 165 players and their families.

At Dynamites, we're all about fun, friendship, and fostering personal growth through team sport.

**If you'd like to support a club that celebrates community and connection,  
we'd love to partner with you!**

## our vision

To create a welcoming and inclusive environment where every child can play netball, grow in confidence, and build lasting friendships—because netball is more than a sport; it's a community.
